Rehearsals: Practices at Loveland Dance Academy for preparation of competition and performances

Competition: Dances go to Denver to be judged against dances of similar age, number of dancers and style of dance. An award ceremony follows the designated group.

Convention: 2 Days of classes with instructors from across the country. These are awesome instructors that we normally would not get the opportunity to dance with so close to Loveland. Many dancers are required to attend convention, but we also offer additional optional events.

Regional events: These are all of the competitions and conventions that come to Denver. These events are used as “qualifying” events for the organization’s national event.

National events: Most of the regional competitions or conventions that we attend also hold national events. We try to attend a national event every other year.

Team Gear: This Includes a sweat suit, team tank top and costume jewelry

Average Monthly Payment: We will total most of the costs and divide by 9 to have equal monthly payments. This is required by all families unless you are paying the balance of the year by October 15th of that year.

Costs:

Rehearsals, Competition fees, convention fees, LDA recital fees (costume and recital) and tuition will be totaled and divided by 9 to make equal monthly payments. A second form of payment must be submitted by every family. In the case that a payment is more than 10 days late, the second form will be submitted for payment. In the case there are multiple financially responsible parties, a signed payment contract must be submitted and signed by all parties.

Costs NOT included in the average monthly payments are:
